Student, Teacher and Parent Conferences

Monday 23 March 2020

Cancellation of Event

Dear Students, Parents and Carers

In the context of the novel coronavirus (COVID-19) particular school events may be placed on hold, be postponed or cancelled. This has been communicated in previous correspondence titled 'Supporting our school community: novel coronavirus, COVID-19 information for parents and carers'. This was distributed and sent to all homes on Monday 16 March 2020.

The Student, Teacher and Parent conferences scheduled for Monday 23 March have been cancelled and will be replaced by an interim written communication that will be sent directly to all homes.

This will ensure that student's parents and carers will still be able to receive the valuable feedback necessary for student learning success.

Please contact the school if you require any further clarification.
