Japan Study Tour 2020

Novel Coronavirus (COVID-19)

Information for students, parents and carers

Dear Students, Parents and Carers,

The safety of our students and staff is paramount and it is for this reason that the NSW Department of Education has placed all overseas excursions *on hold* until further notice in direct response to the current novel coronavirus (COVID-19) situation.

This means that Keira High School's Tour of Japan scheduled for September 2020 is *on hold*.

A decision regarding postponement or cancellation will be made prior to 1 June 2020 to negate any financial loss additional to a \$300 portion of the original paid deposit.

Keira High School will continue to monitor the situation closely and take advice received from NSW Department of Education to ensure we are responding to the situation appropriately.

Please contact the school if you require any further clarification.

Relieving Principal
