Supporting Continuity of Learning for All Students

New Information for Parents and Carers

Dear students and families.

There have been many reports in the media over the past 24hrs describing what Term 2 will look like for our students, teachers and their families and it is vital that all members of our school community are informed regarding any development in how Keira High School will operate in the context of COVID-19.

Term 2 will begin as it finished in Term 1. The majority of NSW students will be learning from home. Schools will be open and operational for students that need to attend *but where practical, parents are encouraged to keep their children at home.*

Teachers will plan the same learning for students at school and at home.

The Premier and Minister for Education have announced a phased operating model for NSW schools during COVID-19. The new model will see **students being reintroduced to some face-to-face learning on campus starting from Week 3.**

From Week Three of Term 2, we will begin a managed return to school starting on Wednesday 29 April 2020 after two staff development days on Monday 27 and Tuesday 28 April 2020.

Please note, both Monday 27 and Tuesday 28 will be staff development days.

Detailed information on the new model and operational changes will be provided to parents and students before Week 3 of Term 2 begins. This will let you know the plan for the remainder of the term. This will include guidelines have been developed that provide school staff, students and parents with a clear reference point of how schools will operate as circumstances change during COVID-19 and what is required of them.

Best wishes to all members of the school community for the remainder of the autumn break.

Please contact the school from Monday 27 April 2020 if you require any further clarification.

Yours sincerely,

Mr D J Robson
Principal
