Supporting Continuity of Learning for All Students

Information for Parents and Carers

Dear students and families.

Our teachers have been so impressed with the engagement of our students as we have moved to a platform of on-line learning. Congratulations, as young learners you have taken ultimate responsibility for your own learning, engaged the quality education available at Keira and continue to move confidently towards a successful schooling year.

Years 7-10 Student Interim Reports

We value all forms of communication with you regarding student progress. As a senior executive we took the decision to create an Interim Report for Stage 4 and Stage 5 students when it became clear that the scheduled Parent/Teacher nights would be unable to take place.

The Interim Report is intended to give you an overview of student engagement with learning this term and within the transition to online learning, as well as their current level of overall progress.

If a teacher has indicated that they would like further contact with you regarding student learning they will contact you at the beginning of next term.

You will receive the full Semester 1 Report at the end of next term.

Contact the school if you require further clarification or you are concerned about your child's wellbeing to discuss the most appropriate support.

As always, we appreciate the role that all members of our community play in ensuring that our students at Keira are supported in their learning. Thank you to the parents, carers and siblings of our students who are key members of our school supporting all our students.

Yours sincerely,

Mr D J Robson
Principal

Mrs S Gray
Deputy Principal

Mr T Loades
Deputy Principal

Mr G Guevara
Deputy Principal
