IMPORTANT INFORMATION FOR 2020 YEAR 12 STUDENTS

Dear students and families of Year 12.

Communication between home and school is very important in enabling us to meet the needs of all students to the best of our ability. In our current context, this communication is vitally important. We have previously emailed HSC students and their families to following documents. If you have not received any of these documents, please contact the school.

- Important information about the 2020 Higher School Certificate (26 March 2020)
- Important information about the 2020 Higher School Certificate (2 April 2020)

The purpose of this communication is to inform our HSC students and their families with current information regarding changes to school based assessment.

School Based Assessment

For the duration of online learning, the key change will be the nature of the assessment task. All assessment tasks will be classified as *take-home assessment tasks*.

As a result, the school based examination period scheduled for Weeks 9-10 Term 2 2020 has been cancelled. Many subjects may choose to develop an alternative assessment task as a result of this cancellation. These alternative assessment tasks will be classified as a take-home assessment task and will be scheduled between Weeks 7-10 Term 2 2020.

Year 12 students and families will be emailed *Keira High School Stage 6 Assessment via Learning Online Policy*. This policy outlines important processes and practices for *take-home assessment tasks*. Please ensure you familiarise yourself with the key changes to the policy:

- how students will receive assessment task notification
- how to submit an assessment task
- what to do if an assessment task cannot be completed

Please continue to communicate with your teachers and contact the school immediately if you require any additional clarification or support.

Yours sincerely,

Mr D J Robson
